WORKSHOP 2013
FOR CRANIAL OSTEOPATHY

Communication from an Osteopathic Perspective: with Thinking, Feeling, Seeing, Knowing Fingers

19-20 October 2013

15% off
EARLY BIRD DISCOUNT
£170 for all graduates
if paid before 19th
September 2013.

In this two-day workshop we will explore widening our perception in different ways of meeting the patient. Listening becomes palpation becomes sensing. *"When you know your mechanism the treatment is simple, you are getting back to Cause"*

Speakers: Caroline Tosh, Christian Sullivan, Mark Wilson, Ercilia de Marco, Richard Holding, Karen Carroll

This course is an introduction to the work of **Dr. James Jealous DO**, for osteopaths of all levels who are interested in using a biodynamic approach to diagnosis and treatment. This course is open to 3rd/4th year students and practitioners and is relevant to GOsC Osteopathic Practice Standards

Venue: St Charles Sixth Form
College, Ladbroke Grove,
London W10 6EY

Price: £200 for qualified osteopaths **OR:** £170 for
3rd/4th year undergraduates & 2013 graduates
