

# BioBasics

WORKSHOP 2015  
FOR TRADITIONAL OSTEOPATHY

## *Modern Applications of the Language of our Forefathers*

**10-11 October 2015**

**15% off**  
**EARLY BIRD DISCOUNT**  
£170 for registered  
osteopaths if paid  
before 4th Sept  
2015

On this weekend we will explore in practical sessions the terms used by Still, Sutherland and their contemporaries. This will help us clarify where we are today and how we can go further....dig on..

This two-day course is an introduction to the work of Dr. James Jealous DO, for osteopaths of all levels who are interested in using a biodynamic approach to diagnosis and treatment. It is open to osteopathy students and registered osteopaths, and is relevant to GOsC Osteopathic Practice Standards.

**Eight speakers:** including John Lewis (guest speaker), Fabiano Da Silva, Nadine Breuil, Michael Harris, Katherine Reed, Ruth Warton, Hazel Williams and Emily Dux.

**The Biobasics team:** includes Emily, Ercilia, Fabiano, Hazel, and Tom.

**Venue:** St Charles Catholic Sixth Form College, St Charles Square, London, W10 6EY

**Price:** £200 for registered osteopaths **OR:** £150 for undergraduates & 2015 graduates. Concessions available.
